EDUCATION

IK Gujral Punjab Technical University **2024 – 2028**
B.Tech - Computer Science and Engineering — CGPA: 7.95 Kapurthala, Punjab

TECHNICAL SKILLS

- **Languages:** C++, Python, JavaScript, SQL
- **Web Technologies:** HTML5, CSS3, JavaScript, React.js
- **Backend & Databases:** FastAPI, REST APIs, MySQL
- **Developer Tools:** Git, GitHub, VS Code, PyCharm, Postman
- **Core Concepts:** Data Structures & Algorithms, OOP, DBMS, Computer Networks, Operating Systems

EXPERIENCE

SDE Intern **May 2026 – Jul 2026**
Yuga Yatra Retail (OPC) Private Limited *Remote*

- Worked primarily on frontend development and web application features.
- Developed responsive user interfaces using **HTML5, CSS3, JavaScript, and React.js**.
- Implemented frontend components and interactive features with a focus on responsive design; collaborated using **Git and GitHub**.

Google Student Ambassador **Aug 2025 – Feb 2026**
Google

- Conducted AI awareness sessions for **50+ students**, introducing them to **Google Gemini** and practical AI use cases.
- Strengthened **leadership and communication skills** through student engagement and AI-focused activities.

PROJECTS

Trackr **GitHub**
Next.js, React, Supabase, Tailwind CSS

- Built a distraction-free learning platform for students to share daily progress, maintain study streaks, join challenges, and build learner profiles.
- Used by **30+ students** across different campuses to track learning progress and stay consistent with their goals.
- Implemented authentication, real-time data handling, and secure storage using **Supabase** with responsive UI using **Next.js** and **Tailwind CSS**.

CP Master **2025**
React, TypeScript, Tailwind CSS, Gemini API

- Built an interactive Competitive Programming roadmap platform with structured learning paths and an AI Coach using the **Gemini API**.

CERTIFICATIONS

- **Git & GitHub: Working with Git Repositories** — Infosys Springboard Jul 2025
- **Learn to Code in Python 3: Programming Beginner to Advanced** — Udemy Oct 2024
- **Deloitte Technology Consulting Virtual Internship (Job Simulation)** — Forage

HACKATHONS & ACHIEVEMENTS

- Participated in **The Big Code**, Google's National Coding Competition.
- Solved **700+ DSA problems**, achieved **2-Star** rating on CodeChef, and **1450+** rating on LeetCode.
